## Letters of Hope Bringing Hope to Syrians

The Syrian Emergency Task Force (SETF) launched the “Letters of Hope” program to show solidarity with Syrian children. Since its inception, we’ve sent thousands of letters into Syria from around the world.

Our mission is to bring hope and comfort to Syrian children who need it most. The Letters of Hope program has become one of our most impactful initiatives.

Your letters can make a significant difference in the lives of Syrian children, letting them know they are not alone and bringing hope for a brighter future.

Join us in spreading peace, love, and hope to those who need it most, and let’s make a difference together.
